# Why China

## Applicant from Mongolia

- China's **healthcare system** has transformed into one of the most dynamic in the world, marked by **significant investments** in medical research, infrastructure, and technology.

## Applicant from Uzbekistan

- China's rapid advancements in **medical education** and healthcare innovation make it an attractive destination for my medical studies.
- Living in China will provide me with the opportunity to engage with a **diverse student body** and gain **intercultural experiences**.

## Applicant from Sri Lanka

- I really **felt at home in China** among my friends, teachers and everyone else. I remember struggling to write Chinese characters and how happy I felt when I finally caught the hang of it. That wonderful experience made me want to come back for more.

# Yiwu: one of the most international cities

- **30min** by train
- **1h30min** by shuttle bus
- World's largest wholesale market
- **500,000** foreign visitors/year

# ZJU Medicine, ESI Top 1%

## National Ranking of Affiliated Hospitals

# 2 The 1st Affiliated Hospital A++
