Q: What is a Career Zoom Health Care Series?

A: An opportunity to ask questions and learn more about the Health Care profession to see if it might be a good fit for you.

zoom

Background Information

- Over 310 students in grades 9-12 responded to a survey on their interest in learning about Health Care professions.
- Your questions will be used to help you learn more about Health Care professions.
- Time at the end of each session will be open for students to ask additional questions with the speakers.

Background Information

Why choose a career in healthcare?

- You like working with and/or caring for people.
- You like science, research and exploring answers to problems
- Job stability – Babies will continue to be born and illnesses are inevitable, so there will always be a need for healthcare professionals.
- With a growing population, the demand for healthcare workers is high.
- Many healthcare careers are well-paid.
- Healthcare careers are diverse. You can go into general medicine, or a specialty (foot, mouth, heart, lungs, etc.), or administration or management.
- You have choices! There are several career options, some that require 1-2 years of education after high school, some that require 4 years, and some that require more. Typically, income will increase with years of education.
